This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. 	20005	Louisville to Nashville	Ky	L. & N.	55, 204. 00	.....	Remit $302.28 of the fine noted in report Jan. 12, 1887, it having been shown that the failures at Nashville of train No. 3, Oct. 6, 7, 14, 17, 22, Nov. 26, Dec. 1, 5, 6, 13, 15, 16, 19, 20, 22, 24, 25, 26, 28, 29, and No. 1, Nov. 13, 18, 1886, to connect were due to waiting on delayed trains of other companies and heavy storms.		
	20008	Bowling Green to Memphis	Ky	do	52, 424. 78	71. 81	Remit $1,706.00 of the fine noted in report Jan. 12, 1887, it having been shown that the failures at Memphis of train No. 3, Oct. 6, 11, 14, 17, 19, 21, 22, 24, 25, 26, 27, 28, 30, Nov. 6, 7, 10, 16, 21, 25, 28, Dec. 1, 2, 4, 5, 6, 7, 11, 15, 16, 19, 20, 21, 22, 24, 25, 28, 29, 31, 1886, to connect were due to waiting on delayed trains of other companies, and a re-examination of the case shows that the fine was based on the price of a half trip being $78.81 instead of $35.90, the correct amount.		
	20025	Evansville to Nashville	Ky	do	20, 660. 34	28. 30	Remit $49.52 of the fine noted in report Jan. 12, 1887, it having been shown that the failures at Nashville of train No. 53, Oct. 4, 8, 27, 30, Nov. 6, Dec. 2, 9, 28, 29, 1886, to connect were due to waiting on delayed trains of other companies, and that train No. 51 arrived on schedule time Nov. 13, 1886.		
	21008	Houston to Columbia	Tex	Intl. & Gt. N	1, 533. 91	4. 00	Remit $2.45, deduction noted in report July 28, 1887, it having been shown that although the train was abandoned in consequence of high water between Columbia and Weedy Prairie May 5, 1885, the mail was forwarded by hand car, arriving in Houston the same day.		
	21026	Georgetown to Round Rock	Tex	do	655. 40	. 89	Remit $0 67, deduction noted in report July 29, 1887, it having been shown that the failures to arrive and depart on the day charged were owing to heavy washouts, but that the service was performed each day in a hack, the expense of which was paid by the company.		
	21032	Mineola to Troup	Tex	do	3, 503. 51	4. 79	Remit $7.18 of the deduction noted in report Jan. 21, 1887, it having been shown that the failures Oct. 28, 29, 1886, were due to a bridge being damaged, and that delayed mails were, in each case, carried on the following day.		
	21046	Trinity to Colmesneil	Tex	Mo. Pacific	1, 997. 22	6. 38	Remit $9.57, deduction noted in report Aug. 3, 1887, it having been shown that failure to arrive and depart at Trinity Apr. 23, and to depart Apr. 24, 1885, was caused by washout, and that delayed mails were carried as soon as trains could be run, and that train arrived on schedule time at Colmesneil, June 29, 1885.

	8	Portland to Rochester	Me	P. & R.	6,912.95	11.04	Remit $11, the fine noted in report Apr. 18, 1887, it having been shown that the failures Jan. 14, 18, 1887, at Portland were caused by waiting on delayed trains of the Worcester, Nashua and Rochester (Boston and Maine) R. R. at Rochester.		
	2009	Richford to Newport	Vt	Southeastern	2,726.38	4.36	Remit $4.35 of the deduction noted in report July 16, 1887, it having been shown from re-examination of the case that in consequence of an error in the calculation the deduction ($8.71) is double what it should be.		
	22033	Beardstown to Shawneetown	Ill	O. & Miss	12,926.96	20.65	Remit $28.97 of the deduction noted in report May 22, 1887, it having been shown that the company performed service Oct. 29, Dec. 9, 15, 1885, except the failure to dispatch the mail from Beardstown Oct. 29, 1885, for which a fine of $2 should have been imposed.		
	22033	do	Ill	Ohio & Miss	12,926.96	20.65	Remit $82.60 of the deduction noted in report Jan. 10, 1885, it having been shown that the service was performed Oct. 27, Nov. 11, Dec. 15, 30, 1884, between Beardstown and Springfield in charge of train baggageman and between Springfield and Flora in charge of railroad post-office clerks.		
	21006	Longview to Houston	Tex	Intl. & Gt. N	35,751.04	48.97	Remit $43.97 of the deduction noted in report July 10, 1887, it having been shown that the company performed all the service over the route Apr. 10, 20, 1885, except to dispatch the mail from Longview.		
	21006	do	Tex	do	34,539.13	47.31	Remit $23.50 fine and $3.67 of the deduction noted in report Apl. 26, 1886, it having been shown that the failure to connect at Houston Jan. 11, 1886, was due to waiting for trains of the Texas and Pacific Railroad, at Longview, Tex., and that the failure between Longview and Troup Mar. 26, 1886, was due to washouts, and that the mail was carried as soon as the running of trains was resumed.		
	28012	Salinda to State Line	Colo	D. R. G	26,551.34	36.37	Remit $18.18 of the deduction, it having been shown that train No. —, with car No. 56, with all conveniencies for distribution of the mail, ran as a special from Grand Junction to ———, and that there was therefore no failure at State Line Sept. 2, 1886.

	15042	Atlanta to Coalburgh	Ga	Georgia Pacific	10,276.82	14.03	Remit $14.02 of the deduction noted in report Apr. 18, 1888, it having been shown that the failures of trains 51, Mar. 29; 53, Mar. 29, 30, 31, were due to washouts.		
	24001	Toledo to Detroit	Mich	L. S. and M. So.	10,709.79	17.10	Remit $17.10 of the deduction noted in report Jan. 10, 1888, it having been shown that the failure at Toledo to connect train No. 101, Dec. 9, 1887, was due to track in Detroit yard being blocked with train of another company, and the failures at Detroit Nov. 30, Dec. 22, 30 of train No. 130 were due to said being a freight train.		
	26009	St. Paul to McGregor	Mich	C. M. and St. P	26,619.43	42.52	Remit $170.08, the deduction noted in report Apr. 18, 1888, it having been shown that the failures of service Jan. 13, 14, 1888, were due to a severe blizzard and snow blockade, and that all the delayed mails were carried as soon as trains could be run.		
	26012	Austin to Mason City	Minn	C. M. and St. P	2,527.40	4.03	Remit $48.36 of the deduction noted in report Apr. 18, 1888, it having been shown that the failures Jan. 12, 13, 14, 24, 25, Mar. 21 were due to severe blizzards and snow blockades, and that all delayed mails were carried as soon as trains could be run.		
	31002	Houston to San Antonio	Tex	G. H. & S. A	26,841.39	38.76	Remit $45.95, deduction noted in report Jan. 13, 1888, it having been shown that the failure to connect at Houston on Oct. 6, 7 were due to washouts; that the failures Oct. 4, 5, 17, 1887, were primarily caused by waiting at El Paso for delayed mails, and that the trains were run in each case at speed above the regular schedule in order to make up the time lost waiting for said connections.

	11652	Jonesville to Noop	Va.....	V. Boreing	323.00	1.03	Remit $0.86 of the deduction noted in report Apr. 20, 1888, it having been shown that only 2 miles was omitted Jan. 19, 1888.		
	6055	Schoharie to Middle	N. Y....	M. & S.	254.36	.41	Remit $2.66, deduction noted in report Apr. 20, 1888, it having been shown that the failures Jan. 26, 27, 28, Mar. 12, 13, 14, 15, were due to severe snow storms which blocked roads and rendered running of trains impossible; that every possible effort was made, at great expense, to combat with and overcome the difficulties but to no avail, and that the delayed mails were carried and delivered by subsequent trains of the company on the route.		
	6062	New York to Mariners	N. Y....	S. Island R. T. Co....	1,003.42	1.60	Remit $10.40, deduction noted in report Apr. 30, 1888, it having been shown that failures Mar. 12, 13, 14, 15, 16, were caused by severe blizzard and snow blockade; that every possible effort was made to per-		

							that failures Mar. 12, 13, 14, were caused by a severe blizzard and snow blockade; that every possible effort was made to perform service, and that the accumulated mails were subsequently forwarded to their destination by the company.
	27012	Clinton to La Crosse	Iowa	C. M. and St. P.	25,495.40	40.72	Remit $81.44, deduction noted in report for Apr. 13, 1888, it having been shown that failures at Clinton to connect Dec. 28, 29, 30, 31, 1887, were caused by deep snow and extreme cold weather, the thermometer ranging from zero to 5 degrees below on those days, rendering it absolutely impossible to make schedule time.
	27027	Davenport to Calmar	Iowa	C. M. and St. P.	15,446.08	24.67	Remit $74.01, deduction noted in report Apr. 14, 1888, it having been shown that the failures Jan. 12, 13, 14, 15, 1888, were due to severe blizzard and extreme cold weather ranging from 20 to 35 degrees below zero, the road being blocked with snow; that every effort was made to get the mails through on time and that they were all subsequently delivered by the Company.
	27020	Farley to Cedar Rapids	Iowa	C. M. and St. P.	4,354.43	6.95	Remit $20.85, deduction noted in report Apr. 13, 1888, it having been shown that failures Jan. 13, 25, 26, Feb. 25, 27, 1888, were all caused by extremely cold weather, ranging from 20 to 35 degrees below zero and severe blizzard blocking the track with snow; that every possible effort was made to get the mails through on time, and that they were all subsequently carried and delivered by the company.
	27082	Winfield to Oskaloosa	Iowa	B. and W.	3,721.61	5.94	Remit $29.70, the deduction noted in report Apr. 17, 1888, it having been shown that the failures charged were all due to severe storms which rendered it impossible for the company to run its trains, although every effort was made and all available means used to do so, and that all of the delayed mails were subsequently carried and delivered by the company as soon as its trains could be run.
	27035	Burlington to Wash	Iowa	B. and N. W	3,016.89	4.81	Remit $14.43, the deduction noted in report Apr. 14, 1888, it having been shown that the failures charged were all due to severe snow storms which rendered it impossible for the company to run its trains, although every effort was made and all available means used to do so, and that all delayed mails were subsequently delivered by the company.
	27039	Turkey River to West Union	Iowa	C. M. and St. P.	3,559.42	5.68	Remit $39.76, deduction noted in report Apr. 14, 1888, it having been shown that failures Jan. 13, 25, 26, were caused by severe blizzard and snow blockade which rendered running of trains impossible; that failures Mar. 19, 20, 21, 1888, were caused by high water which washed away 2 bridges on the road, which also prevented running of trains and that delayed mails were all subsequently delivered by the company.

June 21	2198	Hardwick to Plainfield	Vt	J. R. Tupper	528.00	.84	Remit $3.36, the deduction noted in report Apr. 30, 1888, it having been shown that failures to arrive and depart Jan. 26, 27, Mar. 12, 13, 1888, were caused by fearful snow-storms, making it impossible to force a team through the deep snow drifts.		
	5205	Gilead to Hebron, to Tuanerville.	Conn	B. W. Beedy	354.75	.19	Remit $4.83, deduction noted in report May 16, 1888, it having been shown that the failures to arrive and depart Mar. 12, 13, 14, 15, 16, 17, 19, 22, 1888, were caused by severe snow-storms blocking the roads and rendering them impassable.		
	8380	Dorusife to Pitman	Pa	W. P. Kutz	536.00	.85	Remit $3.18, deduction noted in report Apr. 27, 1888, it having been shown that the failures Jan. 2, Mar. 13, 1888, were caused by heavy snow-storms, which made the roads impassable.		
	8401	Mifflinville to Willow Springs	Pa	S. D. Castleman	97.00	.15	Remit $0.60, the deduction noted in report Apr. 27, 1888, it having been shown that the failures Jan. 1, Feb. 22, 1888, were caused by impassable river, on account of ice on it breaking up.		
	8414	Pitteton to Pittston	Pa	C. C. Morse	516.00	.82	Remit $2.75, deduction noted in report Apr. 26, 1888, it having been shown that the failures Mar. 12, 13, 1888, were caused by heavy snow-storm making the roads impassable.		

						shown that all failures in 1st quarter, 1888, were caused by severe snow-storms and bad roads.
26170	High Forest to Rochester	Minn	J. Wilcox	460.00	.73	Remit $5.13, deduction noted in report Apr. 19, 1888, it having been shown that all failures during 1st quarter, 1888, were caused by severe snow storms, blockades, and impassable roads, carrier made unsuccessful attempts to perform service.
26186	Mazeppa to Lake City	Minn	Stewart & Sympson	217.00	1.04	Remit $4.36, deduction noted in report Apr. 20, 1888, it having been shown that all failures during the quarter ended Mar. 31, 1888, were caused by severe snow-storms, blizzards, bad roads and deep snow-drifts. Carrier attempted to perform service but failed.
27513	Belmond to Renwick	Iowa	J. L. Jones	363.00	1.16	Remit $5.80, the deduction noted in report Apr. 17, 1888, it having been shown that all failures in 1st quarter, 1888, were caused by snow-storms, and high water, blockaded roads, and blizzards.
27535	Spirit Lake to Jackson	Iowa	W. F. Hansberger	606.59	.96	Remit $11.52, the deduction noted in report Apr. 17, 1888, it having been shown that all failures in 1st quarter, 1888, were caused by severe snow-storms, blizzards, and extreme coldness, 40° below zero; the stage was blown over in attempting to make the trips.
27541	Bancroft to Fairmont	Iowa	J. Hayworth	480.00	1.53	Remit $4 59, deduction noted in report Apr. 17, 1888, it having been shown that all failures during 1st quarter, 1888, were caused by severe snow-storms, blizzards, and blockaded roads.
29375	Minerva Springs to Locksburgh.	Ark	J. R. Boreing	496.00	1.58	Remit $16.59, the deduction noted in report May 2, 1888, it having been shown that it was impossible for carrier to perform service on dates for which deduction was made in consequence of high water in the creeks, and ice and sleet in the roads.
31313	Huntsville to Madisonville	Tex	E. R. Ragan	1,089.00	1.73	Remit $4.57, deduction noted in report Apr. 25, 1888, it having been shown on re-examination that the letter of the subcontractor of Feb. 6, 1888, is of doubtful meaning as to its admission of a total failure Feb. 4, and such failure can not be conclusively shown by postmaster's register, and the postmaster at Madisonville and letter within says failure of Feb. 3 was the only one; and, further, the subcontractor now asking remission states that high water in Bedias Creek, Feb. 3, was the cause of his turning back after having performed 18 miles of service, which is borne out by the registers of the postmasters, Huntsville and Madisonville, for Feb., 1888, so that excuse for the only clearly apparent failure is good and sufficient.

	RAILROAD SERVICE.					
43001	Kalama to New Tacoma	Wash.	No. Pacific	6,463.80	8.85	Remit $4.42, deduction noted in report Aug. 2, 1888, it having been shown that the apparent failure to arrive at New Tacoma Apr. 6, 1884, was due to a change of schedule, which by retarding the hour of arrival from 3.42 p. m. to 2.30 a. m., left that day without an arrival. The original evidence, however, shows that when on Apr. 28 the time of arrival was changed to 11 p. m., arrivals occurred on one day; hence the required number of arrivals was made.
